Horses are, like all animals from nature, unpredictable and no refund will be given if 'your' horse did not behave the way you wanted him/her to.

Bear in mind that horse riding is considered an extreme sport and horses all have their own personalities. They are flight animals in a situation deemed possibly dangerous for themselves, thus there is a possibility that you may fall off the horse and injure yourself.
I AM RIDING AT MY OWN RISK.

I will not hurt or harm the horses in any way, treat them with caution and respect.
